VCE Units 1 - 4

After purchasing, students can access digital resources by logging into their MyConnect2 account. We recommend using your school email address to log in and check everything is set up before the school year begins. If you don't yet have the student's school email address, please check at school in the first week back.
For login help and more information, visit: https://campion.com.au/myconnect2-login/
Things to remember:

- Digital access at your school is provided via MyConnect2 – there's no need to use the code in your print book
- Digital resources are valid for 12 months, unless otherwise stated
- Please choose carefully, as digital resources cannot be returned, refunded or exchanged for change of mind.

Please note that for some items on this Resource List, you can choose between a 'Digital Only' resource or a 'Print & Digital' bundle. These bundles include both the digital resource and a print book, and are clearly labelled as 'Print & Digital' in the Online Ordering Portal.
For the latest and up-to-date information on our store trading hours and full terms & conditions, please visit our website www.campion.com.au
Please note that there may be other levies for Revision subscriptions that may be charged back to your account during the year. See individual subjects for details. Students should purchase subject-specific stationery, and other items only as required.
